9 NEW ORLEANS – The Housing Authority of New Orleans (HANO), in conjunction with the City of  
10 New Orleans proposes to utilize federal funding to redevelop the Iberville Housing Development in New  
11 Orleans. In accordance with the National Environmental Policy Act (NEPA) and the National Historic  
12 Preservation Act (NHPA) and its implementing regulations, 36 CFR Part 800 (Section 106), the City of  
13 New Orleans hereby provides notice of the initiation of NEPA and Section 106 compliance activities for  
14 future actions associated with the Iberville Housing Development design and construction activities.  
15

16 On January 24, 2013, HANO and the City will hold its second public information meeting to discuss  
17 design and construction activities under evaluation for the Iberville Housing Development. The purpose  
18 of this meeting is to engage the general public, local businesses, associations, affected governmental  
19 agencies and other interested parties to solicit relevant input and provide timely information regarding the  
20 design and construction related to the development of the site. As such, information regarding evaluation  
21 of environmental and cultural resource areas, as well as possible impacts to historic properties at the site,  
22 will be made available for public comment.  
23

24 The public meeting will begin with an informal open house from 6:30 – 7:00 pm to allow interested  
25 parties to view proposed alternative design scenarios and talk directly to project representatives. At 7:00  
26 pm, HANO, the City and their design team will give a presentation, after which the audience will have an  
27 opportunity to ask questions and provide written or oral comments. Public comments will be accepted  
28 until February 8, 2013 at 4:00 pm and can be submitted electronically to <http://www.cnineworleans.org> or  
29 by mail to City of New Orleans, Office of Community Development, 1340 Poydras Street, 10<sup>th</sup> Floor,  
30 New Orleans, LA 70112, Attn: Shirley Smith, Director of Environmental Compliance.  
31

32 The meeting provides the public and other interested parties with the opportunity to participate in the  
33 decision-making process and ensure that HANO and the City consider public comments regarding the  
34 impact of the proposed project design, construction and any potential adverse effects on environmental  
35 resources.  
36

37 Project information, including the conceptual design schemes/layouts for the proposed Development, will  
38 soon be available at <http://cnineworleans.org>. Public comments can be submitted through this web  
39 address until February 8, 2013 at 4:00 pm or by mail to City of New Orleans, Office of Community  
40 Development, 1340 Poydras Street, 10<sup>th</sup> Floor, New Orleans, LA 70112, Attn: Shirley Smith, Director of  
41 Environmental Compliance.
